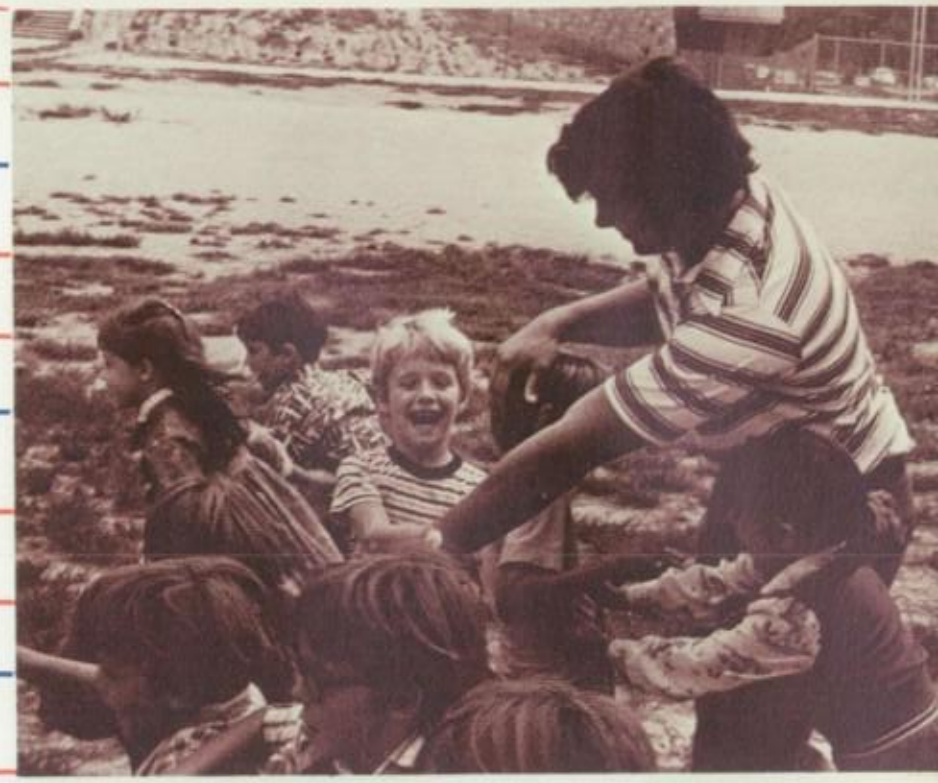
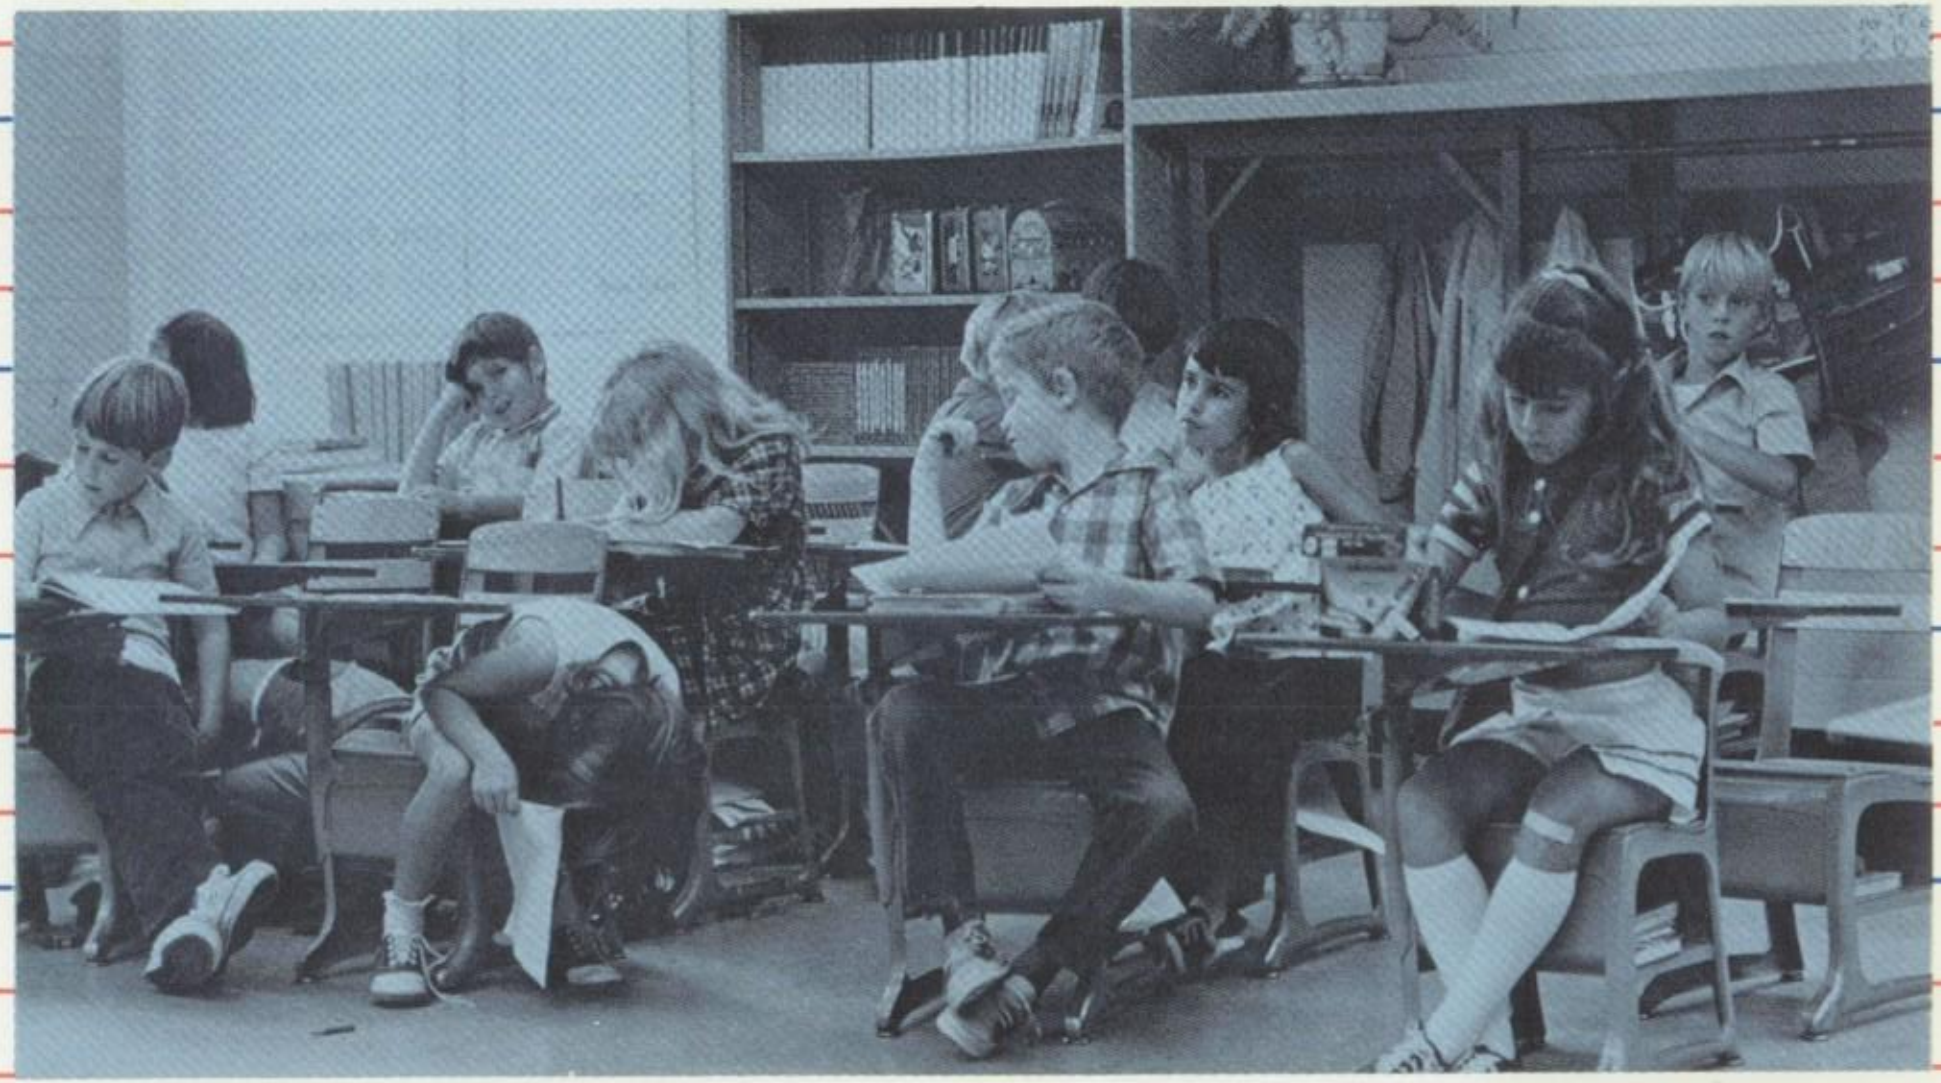
My Best Frend

Dear Jenny, I hate boys!!!
I will never ever talk to them
!! Jimmy put a frog in my
pocketbook today. Boys are creepy!!!
And Mrs. Junes made him sit
next to me. We will never talk
to boys. Susy
Let's play kickball today.





Jenny,

This is the last note I will ever write you. I saw you talking to Jim yesterday and you know that I like him. I don't think that we can ever be friends again if you keep playing with my boyfriends.

Sue

Dear Sue,

This year is going to be great!

I feel so important! I can't be-

lieve that we're in the 7th grade. I

nearly died laughing when the teacher

was telling us that all the other kids

are looking at us to set an example.

I never looked up to 7th graders

or safety patrols. I always threw

spitballs at them!

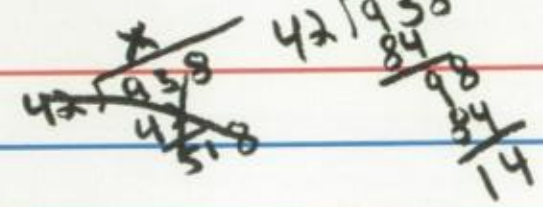
Jen

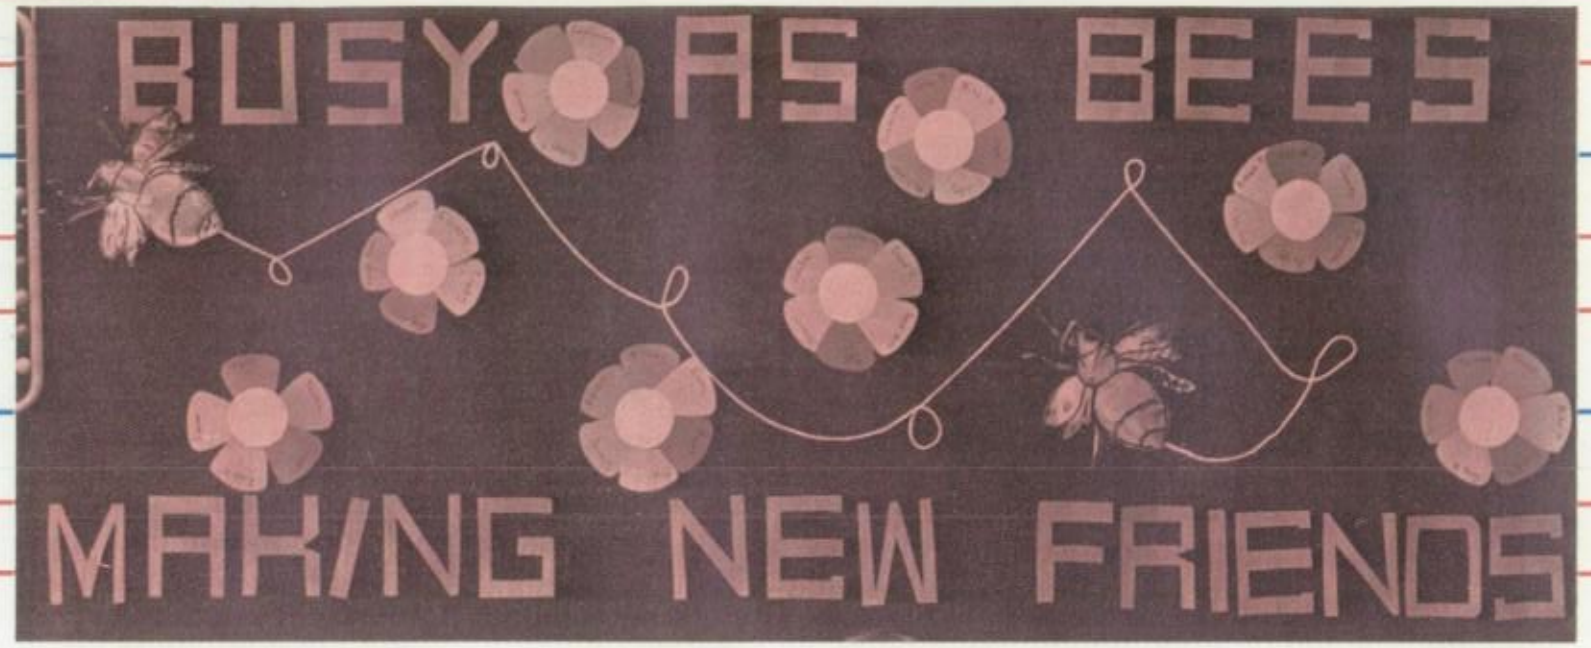
Jen,

I can't believe we're in the 8th grade. I feel so DUMB!!! I asked someone how to get to the library & dumb me didn't get the directions right and ended up in the GYM! Have you bought your pep rally ticket? I hope I don't lose mine 'cause I think a high school pep rally would be fun. Don't buy a pass to the swimming pool 'cause there isn't one. If you buy one you'll just show you're a dumb 8th grader!!

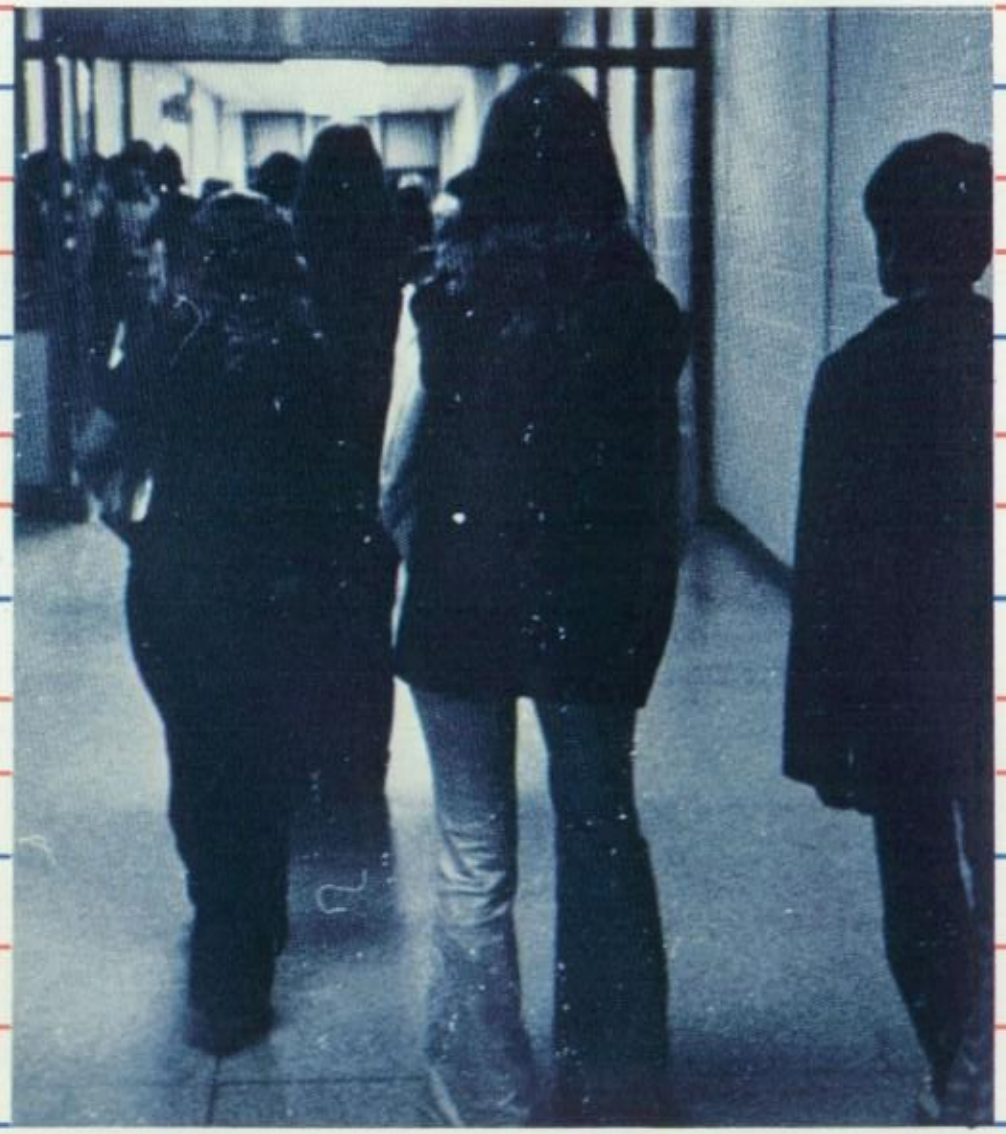
Bye,
Susan

P.S. How do u make your notes so neat???





BUSY AS BEES
MAKING NEW FRIENDS



Jennifer, ~~[illegible]~~ (excuse the mess)

You'll just never BELIEVE who I'm going out with. Mr Football himself! Yea, Jim!! I'm just so excited I can't believe it! My stupid teacher gave Jim 2 demerits for talking to me during class & he was telling me what time he would pick me up. Gotta go now - you'll die when u hear how much English homework we have and it's so DUMB!!

Love,
Susan

P.S. The weather's nice

☺ Have a Nice Day

Dear Susan,

We'll be walking out tommorrow, so this is the last note that we'll be able to pass to each other when the teacher's not looking. It's sad to think that we'll walk away from bottom lockers, term papers done in one night, crowded lunch tables, Mexican pie, friends, and all the good times.

I still can't believe this is my last year in high school. ~~I~~ But we have been here for five years. The first class to do that.

My little sister came home with a picture of her very best friend. I hope that her best friend is as good a friend as mine.

Love,
Jennifer

THE EXPERIMENT

Certain individuals were selected at random to be our guinea pigs for the following...

What do you see?

1. "a frog getting ready to jump"
2. "a skul laufing"
3. "a boy and girl about to kiss"
4. "unattractive girl sitting"
5. "pig yawning"
6. "a butturfly on a leef"
7. "a siting frog"
8. "a head"
9. "a laufing skul"
10. "a bear eating honey"
11. "4 peple watching TV"
12. "an African warhead"

This is the result of our experimental study. We have concluded that...

1. has a defensive nature.
2. your weird!
3. has no sexual inhabitions.
4. sees the worst in things.
5. is a lazy slob.
6. likely to be a flurt.
7. leaps at a chance.
8. showing promise (?)
9. understudy to Captain Cook.
10. sweet and cuddly.
11. suffers acute paranoia.
12. "bears sensitivity, depth and soulpower"
